

EVENTS HOSTING

by Cyril Junior Dim

A GOOD HOST MAKES A DIFFERENCE

A plane needs a pilot, a ship needs a captain, and your event needs a firm, dedicated voice looking after all participants and the flow of the agenda...

From introducing speakers, to entertaining the audience and coordinating with technical staff behind the scenes, I can make sure your event is not only professionally impressive, but also memorable.

Entrust me with refining the agenda, briefing speakers, warming up the audience, maintaining the flow and energy of the event and giving personality to the event at large.

WHAT I HOST

- Conferences
- Gala Dinners
- Awards Shows
- Academic Ceremonies
- Competitions / Contests
- Internal Integration Meetings
- Corporate Events as specified

YOUR HOST

In addition to extensive speaking experience, you may also be interested to know that I believe in being the kind of host that is:

- **Conversational:** I help the audience to let their shoulders down and feel that they are a welcome part of the event.
- **In Control:** I give all stakeholders the comfort of knowing that their needs pertaining to the event are being taken care of competently.
- **Complementary:** I direct all focus to speakers/panelists/participants rather than hogging the spotlight.

WHAT I BRING

- **Professional Experience:** I've done sport commentary, hosted comedy shows, conference events, celebratory events and contests spanning from 2014.
- **Speaking Prowess:** I've had the great fortune of being trained to use humor, rhetoric and physical props to engage audiences.
- **Charisma:** I do not shy away from the opportunity to host an event, especially where the job at hand is drawing attention *away* from myself.
- **Adaptability:** I am poised under pressure and am able to shapeshift should anything unexpectedly change during the running of the event.

HOW TO REQUEST

Should you wish to have “This is me - Ndini” performed at your event, please be sure to:

- Book a consultation date for the desired service at <https://www.picktime.com/cyriljuniordim>
- During consultation, communicate the specifics of the event including date, venue, and audience size.
